This year a total of 176 students were entered for 1696 GCSE examinations of which, 1676 (98.8%) were passed with grades A*-G. In addition 42 students sat BTEC examinations each receiving two qualifications equivalent to A* - C passes and 48 students achieved an A* - C GCSE equivalent grade by passing their DiDA examination. Thus each student gaining an average of between 9 and 10 GCSE passes. 1348 GCSE examinations were passed at grades A*-C (an average of 7.7 A*-C passes per student).

126 students (71.6%) achieved 5 or more passes graded A*-C. Although this is a slight decrease compared with last year's record examination results, it is well above both National and Newham averages especially for boys, well above the target of 60% set by the School Improvement Partner / Local Authority.

Individually there were some excellent results, 78 students achieved ten or more A*-C passes at GCSE:

Matteo Bianchi achieved 14 GCSE passes 12 graded A* and 2 graded A

Edwin Ssekabira achieved 11 GCSE passes 9 graded A* and 2 graded A

Dolapo Oyawole achieved 11 GCSE passes 8 graded A* and 2 graded A

Liam McEaney achieved 12 GCSE passes 7 graded A* and 5 graded A

Our first year of entering students for BTEC qualifications was very successful with all students achieving the equivalent of 2 GCSE grades A*-C some with very high grades. Similarly students entered for the DiDA qualification in ICT achieved 100% success rate.
